**Adult Confirmation** - This 7 week course is designed for actively participating Catholic adults 21 years of age or older who have not received the Sacrament of Confirmation. Participants will encounter Christ in a more mature manner to adhere to Christian commitment and community. These classes are held during the Easter Season.

**Welcome Back** - This program is offered for those who have been away from the Catholic Church. It is designed to help people return to the sacraments and to regular church attendance. It provides an opportunity for people to ask questions about their faith and to learn about changes in the Church. These five-week sessions are offered in January and again after Easter.
